The Monkey Sitting Table Lamp - White Resin

$370.50 USD

The Monkey Sitting Table Lamp is a sculptural resin lamp cast in the form of a seated monkey holding a single E27 bulb fitting in its raised hand. The figure stands 42cm tall with a 34cm footprint, finished in a uniform matt white that picks out the textured fur, facial detail and curled tail moulded into the resin. A fabric-covered cable runs from the bulb holder along the figure's arm and out to the mains plug.

The Monkey Standing Table Lamp - White Resin

$370.50 USD

The Monkey Standing Table Lamp is a 54cm-tall figural lamp cast in white resin, modelled as a life-sized monkey standing upright on two feet with one arm raised to hold an exposed E27 bulb. The bulb sits in a small lampholder gripped in the monkey's hand, with the cable trailing down the raised arm and out at floor level. The matt white finish picks up the sculpted fur texture across the body, face and tail.
